## Choir Officers Update

Hey guys! Im Maddie, one of your historians! So this is a busy time of year and we have a lot of things to keep on our radar! First, we should all send happy thoughts to our region students, who are auditioning next Saturday at Memorial High school! They have all worked so hard and we can't wait to see how well they all do! Also, as we all know it is spooky season and in spirit of October, we will be having our annual Halloween social! This social is always so fun, and make sure you're dressed up in your best for the costume contest! Put October 29th on your calendar to come out and enjoy Halloween festivities! We also have two big performances coming up! Chorale will be performing at the 29th annual High School Invitational with University of Houston on November 4th! Close after, Sonos will be competing at the Texas Renaissance Festival on November 6th. Lastly, I just want to thank everyone who took part in the toiletry drive for Caney Creek High School! We've done so many good things already this year, let's make 2019-2020 our year!

## Booster Club Update

We're launching our Fall Fundraiser in conjunction with \*amazing\* The Brookwood Community, a residential facility and vocational program for adults with disabilities. Adults in their program work in a variety of ways to raise money for their community's scholarships, activities, and events. One group grows poinsettias in a giant there on campus greenhouse all year, which they sell after Thanksgiving. Since this is our first year to partner with Brookwood, we'll be starting with a lower quantity of poinsettias available to sell. Visit [www.CyFairChoir.com](http://www.CyFairChoir.com) to reserve yours now! Send this link (and the flier below) to friends, family, your family's co-workers the possibilities are endless! <https://tinyurl.com/CFChoir> And if that wasn't easy enough, the top seller in choir will win \$50!

Also, our Annual Family Feast is scheduled for Thursday, November 21, in the CFHS Cafeteria. Please visit [the Sign-Up Genius link](#) to bring an item or two. This is for our choir students \*and\* their families. Don't miss it!

I'd like to offer a special thanks to our amazing Booster Club Board. From the countless hours spent processing payments, reconciling the budget, counting supplies for events, taking notes at Booster Club meetings, organizing volunteers, lining up fundraisers, tracking down vendors for Showstoppers signs, and so much more, this group of parents is pretty amazing. Our ultimate goal is to work behind the scenes and take a bit of the workload off of the choir directors, and our booster club loves our directors wholeheartedly. It shows in all they do— seen and unseen. So thank you all. And if you haven't checked out the fun group of parents and supporters who make up the Booster Club, your next chance is Tuesday, Nov. 12, from 6:00-7:00 pm in the choir room. We'd love to have you join us!

Have a great weekend,

Julie Long, Cy-Fair Choir Booster Club President

## Choir Uniforms

We got **all** of our students fitted for their formal uniforms this week! Students may begin taking their uniforms home now or in a few weeks when they come back from getting alterations. You should see your child's choir dress/tuxedo by the end of the month! Please remember that the ladies need to have black closed toe - closed heel shoes for the Holiday Concert. Flats are highly recommended, but a 1 inch heel or less is acceptable. Men need to provide a white tuxedo shirt (Hobby Lobby is a great place to get one), black socks and black dress shoes to complete their uniform. Please begin taking care of putting all of the pieces of your uniform together early!

## Region & Honor Choir Auditions

Auditions for the Region Choirs is next Saturday, October 26th at Memorial High School. We will meet in the Cy-Fair Choir room at 7:00 am that morning and travel by bus to the audition. Please look for a letter with more specific details in the next few days, if you haven't received it already. We will let all of you know how the audition went in the next choir wire.

## Toiletries Drive

Today was our last day to collect toiletries to benefit the students in the choir program at New Caney High School that were affected by the recent tropical storm. We collected an awesome amount of items! We really appreciate your willingness to share and give to others in the choir community!
